

## Future Schools & Scholarship Record

In the academic year 2017-18, we gained 42 scholarships to senior schools, a pleasing increase on the 32 achieved in the previous year. As always some children achieved more than one scholarship. In total 26 different children, out of a year group of 45, gained at least one scholarship. One child has gained the Neil White scholarship to The Leys. This scholarship is awarded to pupils who are able to contribute at a very high standard in two or three different fields, and show potential for leadership. The Neil White Award is often not awarded at all – it is a rare accolade and particularly prestigious. We also celebrated academic success to Benenden, Bishop’s Stortford College, The Leys, Haileybury and Queenswood and General and Art scholarships to Oundle.

## Awards Achieved 2017 - 2018

<b>Benenden</b>	<b>1 Art &amp; Design</b> <b>1 Academic</b>
