Equality and Accessibility Plan

1st April 2018 – 31st March 2021

Heath Mount School, Hertfordshire

Independent Day and Boarding School for Boys and Girls

April 2018
1.0 ETHOS AND AIMS

1.1 Heath Mount School ("The School") has a legal duty under the Equality Act 2010 to be non-discriminatory towards its pupils and provide equal access to the curriculum, pastoral care, and extra-curricular activities. The equality and accessibility duty thereby provides a framework for identifying pupil needs and weighing them against other educational priorities when making relevant decisions including those decisions on participation in School activities. The School also has an extended duty of care to all employees or visitors on the site whether parents, carers, visitors or alumni.

1.2 The School welcomes the duty to eliminate discrimination against anyone with “protected characteristics” and foster good relations, irrespective of gender, race (including colour, nationality and ethnic or national origins), disability, religion and belief, sexual identity or orientation, gender reassignment / transgender, marital or civil partnership status, pregnancy or state of maternity (in the case of employees of the School, this also includes age) whether actual, perceptual or by association.

1.3 Promoting equal opportunities is fundamental to the aims and ethos of Heath Mount School. We welcome applications from those with as diverse a range of backgrounds as possible. This enriches our community and is vital in preparing our pupils for today’s world. We concentrate on educating the individual, to provide a comfortable and welcoming atmosphere where each individual feels valued and can flourish.

1.4 The School has a legal obligation to make reasonable adjustments not to put any pupil with a protected characteristic or prospective pupil with a protected characteristic at a disadvantage compared with others who are not disadvantaged because of a protected characteristic.

1.5 The School requires parents to inform the School in the relevant section of the application form of any disability or need: the School cannot guarantee to make provision if that need has not been disclosed.

In assessing any prospective pupil, the School may take such advice and require such assessments (e.g. an Educational Psychologist’s report) and recommendations it deems appropriate. ( 

1.6 Not all pupils with Special Educational Needs will be classified as having a Disability and vice-versa

2.0 SCOPE OF THE PLAN

2.1 The School’s Accessibility Plan contains relevant actions to:

2.1.1 increase the extent to which all pupils with protected characteristics can participate in the School's curriculum,
2.1.2 improve the School's physical environment for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the School within the constraints of local planning permission and budget, recognising that some possible improvements are unlikely to be considered as reasonable adjustments if their costs to the School are prohibitive;

2.1.3 ensure that the School makes reasonable adjustments not to put any pupil with a protected characteristic or prospective pupil with a protected characteristic at a disadvantage compared with others who are not disadvantaged because of a protected characteristic.

2.2 The plan is reviewed annually by the relevant Governors sub-committees to:

2.2.1 make recommendations with a view to improving the accessibility of its education in many aspects to pupils or prospective pupils with protected characteristics by means of reasonable adjustments and by planning for the future

2.2.2 prepare the School's SEN policy;

2.2.3 Ensure the School’s Equal Opportunities Policy and other policies and guidelines will have regard for inclusiveness and the difficulties faced by those with protected characteristics, thereby improving understanding and integration

2.2.4 review such plans and policies as necessary and at least on an annual basis.

2.3 The following has been considered when developing and reviewing the plan:

- Admissions
- Attainment
- Attendance
- Exclusions
- Education
- Extra-curricular activities
- Governing body representation
- Health and Safety
- Physical school environment
- Selection and recruitment of staff
- Sporting education and activities
- Staff training
- Welfare

2.4 The School has also consulted staff with responsibility for the induction arrangements for new pupils to ensure that the particular needs of pupils with protected characteristics are recognised in advance, that suitable staff training is provided and that any modifications to the curriculum or premises are fed into the plan before the arrival of the new pupils.
2.5 Appropriate training for relevant staff will be provided to enhance an understanding of those with protected characteristics, to highlight the need for making reasonable adjustments and to improve the School’s educational provision.

3 HOW THE PLAN IS REVIEWED AND MONITORED

3.1 There is a formal review of the implementation of the plan of the Buildings and Infrastructure committee. Senior leadership provides a full report at this meeting and identifies which measures have been achieved and where any delay in implementation is foreseen. The plan is then updated with adjusted time-frames where necessary.

3.2 The school's Governors are ultimately responsible for ensuring the implementation of the accessibility plan during the period to which it relates. A new plan will be drawn up every three years.

4 THE SCHOOL BUILDINGS AND GROUNDS

4.1 Heath Mount consists of multiple buildings of different ages situated on a 40 acre site based around a Grade 1 listed mansion.

4.2 The Nursery and Pre-Prep are situated in two adjoining buildings which are modern, light and airy with full accessibility from the front doors and around the buildings. Disabled facilities are provided in both buildings. There is a fenced-in nursery playground and an open green field playing area for Reception to Year Two. Both these playing areas can be accessed by wheelchair.

4.3 The Lower School (Years 3-4) is a modern, light and airy building with disabled access and facilities.

4.4 The Performing arts centre, which is linked to the lower school, has full disabled access and a lift to the stage floor, and includes the year 3 and 4 changing facilities. A disabled toilet is available with access from both the Lower School and the theatre. A dedicated wheelchair space is available within the theatre.

4.5 The main house is a Grade 1 listed building with five floors (basement, ground floor, mezzanine, 1st floor and 2nd floor). The design of the building and planning restrictions means that it is not possible to put in a lift to the upper and lower floors. Access to the ground floor can be made from the main entrance where there is one step or via a side entrance with ramp. There is reasonable access (not wheelchair) to the 1st floor and limited access to the mezzanine and 2nd floor. There is reasonable access to the basement. Currently Years 5-8 are based in this building and scheduling of classes / location of form rooms can be adapted to allow access. Currently there is no wheelchair access internally to the music block, although this can be accessed externally.

4.6 Boys boarding is based on the mezzanine and first floor of the main house which can only be accessed by a flight of steps.

4.7 Access can be gained to the Sports Hall, which is used for services and whole school events as well as sporting activities, from the side door without a step. From here
there is full access to the ground floor including sports hall, changing rooms and
dance studio but limited access to the first floor up a flight of internal stairs. A
disabled toilet is provided on the ground floor.

4.8 Access to the sports Pavilion is up a sloping stone path from a concrete drive. The
Pavilion is on one level and has a disabled toilet.

4.9 The swimming pool and changing rooms can be accessed by wheelchair. Entry to
the swimming pool (shallow end and deep end) is by steps. No special hoist is
provided for disabled access.

4.10 River House is a two storey girls’ boarding house located off the main campus.
Access can be made to the ground floor public rooms but there is only limited access
to the dormitories in the 1st floor up a flight of stairs.

5 ACCESS TO THE CURRICULUM

5.1 This plan should be read in conjunction with the School's Admissions Policy and
Special Educational Needs Policy.

5.2 Curriculum planning shall reflect a commitment to equality, promoting tolerance and respect
for others.

5.3 Heath Mount School aims to offer the highest quality of teaching and learning and
support all pupils in the pursuit of academic and personal excellence. We have high
expectations of all of our pupils and we strive to ensure that each and every pupil
can take part in the whole school curriculum. We value the diversity of our school
community and appreciate the contribution that pupils with special educational
needs (SEN) and/or disabilities can bring to school life. This policy applies to all
pupils including those in the EYFS and all prospective pupils.

5.4 We have an admissions policy that seeks to remove barriers to entry to our school
for pupils with Protected Characteristics, Special Educational Needs and/or
disabilities. We strive to be a fully inclusive and welcoming school that aims to
develop excellence in a wide range of fields such as music, drama, art and sport.
The school expects its pupils to take part in such activities to the best of their
abilities.

5.5 We regularly review and take steps to improve the physical environment of the
school, within the restrictions of the Grade 1 listing of the main house in order to
increase the extent to which disabled pupils are able to take advantage of the
education and associated services offered by the school.

5.6 We provide written information to pupils with disabilities in ways that are user-
friendly and fully support the pupils in their learning experience.

5.7 Our staff regularly review their teaching strategies to ensure that any potential
barriers to learning and participation by disabled pupils are removed. We support
our teaching and non-teaching staff with a programme of in-depth training designed
to raise their awareness of disabilities and to enable them to minimise any potential
difficulties for pupils. We promote the importance of using language that does not
offend amongst both our staff and our pupils and ensure that, wherever possible,
positive examples of disability are portrayed in teaching materials.

5.8 Where we provide an auxiliary aid or service as a reasonable adjustment, we will
aim to do so at our own cost. Where a provision does not amount to a reasonable
adjustment, we reserve the right to charge the parent at a level that reasonably
reflects the cost to the School of providing that service. Details of costs will be provided in writing.

5.9 Wherever possible, we will make reasonable adjustments to the timetable to allow children with restricted mobility to attend accessible School facilities. One of the obvious problems the School has, in common with many other schools of its type and age, is its layout and plant.

5.10 The children can play in the large areas of playing fields and woodland areas during break times. The area is gently sloping and offers reasonable wheelchair access but this will be more difficult when the ground is wet.
