## Clubs and Activities – Michaelmas Term 2019

At Heath Mount we offer a wide range of clubs and activities taking place throughout the day. These are run by a dedicated team of teachers, support staff and outside agencies. Please make note of the following as you and your child make their choices for the term.

- Sign up Some of our clubs require you to contact the main school office to sign up your child, this is indicated as 'sign up' on the following clubs table. Contact Liz Hammond (hammonl@heathmount.org, 01920 830230) to sign up your child. Sign up is on a first come first served basis unless stated otherwise. **Please sign up your child by Monday 2<sup>nd</sup> September 2019.** **Highlighted clubs require sign up with reception. All other clubs are by invitation.**
- Dates **Clubs Start on Monday 9<sup>th</sup> September 2019 and finish Friday 6<sup>th</sup> December 2019**, with a two week break for half term, unless otherwise expressed by the operator.
- Cost Many of our externally-organised clubs incur a termly cost. Payment is by the term and needs to be paid directly to the provider. Please note there is a small materials cost for Art clubs of £25 which will go on to the school bill. **Please be aware that, unless the instructor is unavailable, payment is non-refundable.** Please be aware of your child's match commitments, as this can sometimes impact on club attendance. **Should your child drop out during the term a full terms fees will be payable.**

## Clubs and Activities – Michaelmas Term 2019

Please note, there may be additional recommended kit for external clubs. These are a completely optional agreement with the club

Crèche Griffin and Prep—These will continue to run alongside our afterschool activities. Please sign up your child for one of these sessions should their club start later than their normal end of day. Please inform the school office should you unexpectedly need to use this facility.

Terms and Conditions Clubs can only be run if minimum numbers are reached. Heath Mount reserves the right to terminate a club should this be deemed necessary.
